

iOS Onboarding Guide

Get started | Nova

1. Visit the appstore, search for Nova Polkadot Wallet and **download**.

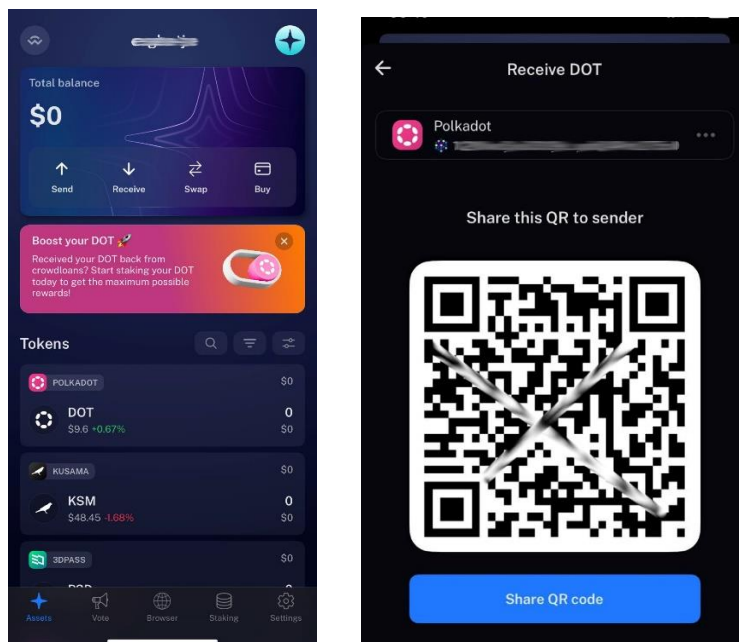

2. Open the Nova Polkadot Wallet.
 - a. Create a new wallet.

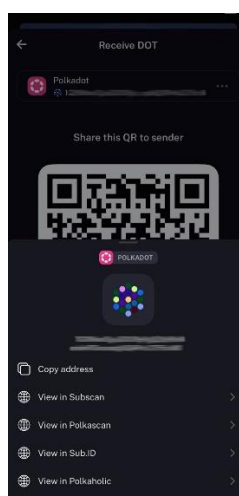

- b. Create a wallet name.

- c. Store your phrase in a safe place.
- d. Click on **Receive**.

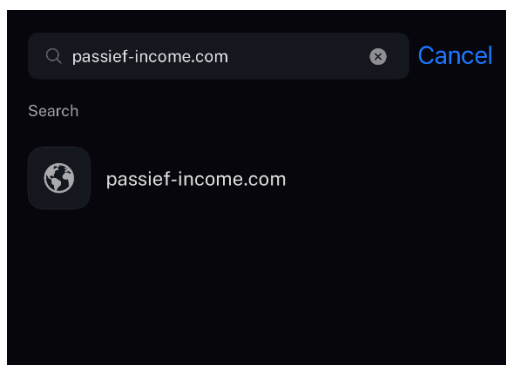

- e. Press the three dots and **Copy** Polkadot wallet **address**.

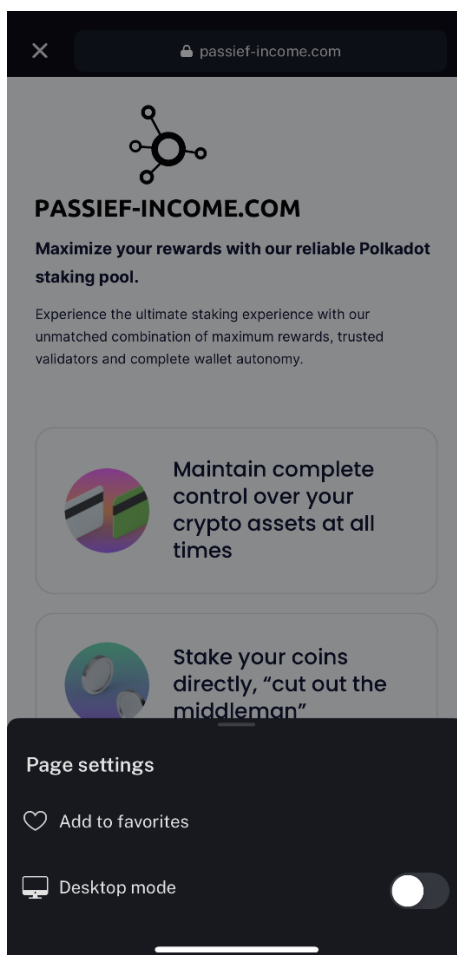

- 3. **Open** your exchange like Kraken, Bitvavo, Kucoin or the like. And **send** the Polkadot to your pasted Nova Polkadot wallet id (step 2.e).

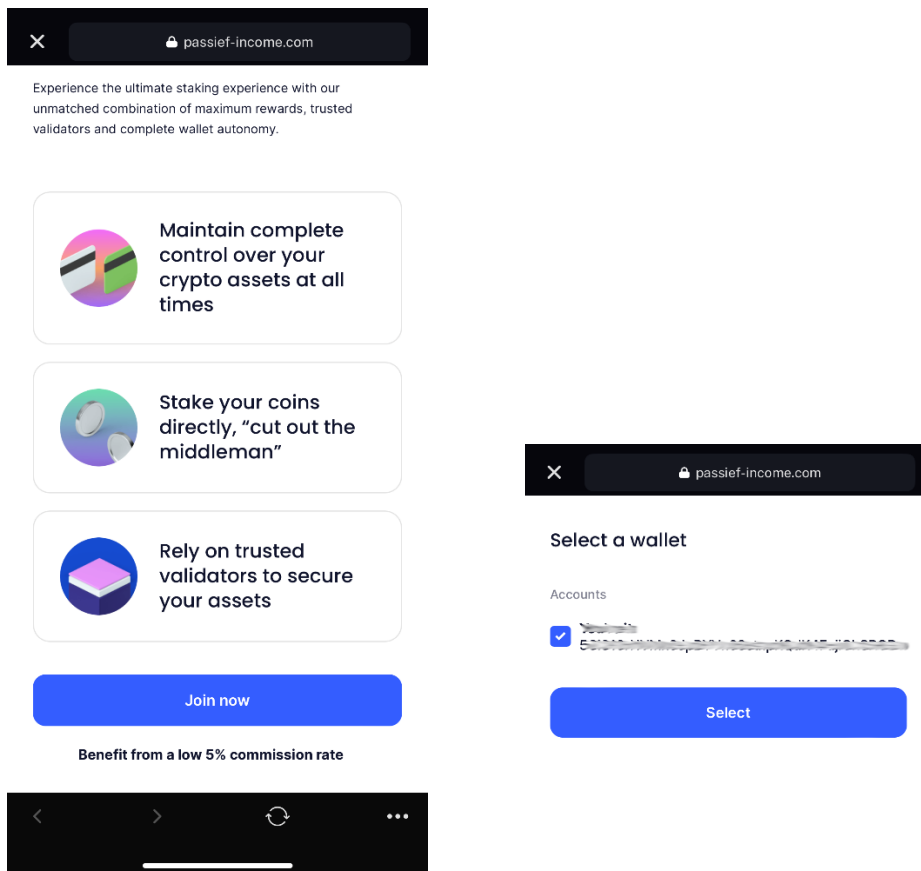

4. **Open** Nova Polkadot Wallet, en press **“Browser”** in the navigation menu below.
5. Enter `passief-income.com` in the searchbar and **select**.

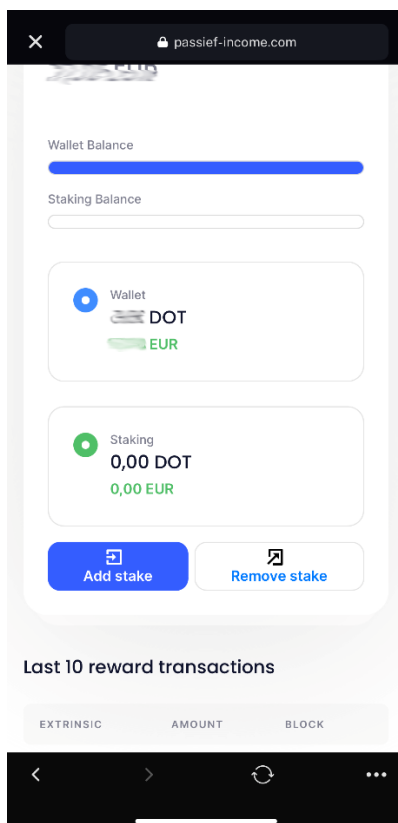

6. Press the three dots in the browser below, and **add to favorites**.

7. Select **Join Now** and accordingly **select** your wallet.

8. **Add stake** and lay back. Enjoy your passive income!

Job well done!
